

Nogales, Sonora Social Investment Tour

This tour highlights raising civil society, social investment, and cultural collaboration in the border city of Nogales, Sonora

We meet at 8:30am **at the Burger King in Nogales, AZ (47 N. Sonoita St. Nogales AZ)**. Park at the very back of the parking lot and come inside to pay for parking, \$7.00.

We'll gather and have a brief orientation meeting there and use the restrooms. We'll walk together across the border and a few blocks to meet our Van/Driver, Adolfo, and Alma, our expert guide. There is some walking on this tour, but not more than a mile; however, in Mexico the surfaces are terribly UNEVEN so require EXTRA attention.
